Presents a framework for interactive writing and a set of tasks to engage EFL learners in the production of real texts to achieve particular discursive purposes.

Massi - Interactive Writing in the EFL Class: A Repertoire ...

Students must be taught to write and then be expected to write for a variety of purposes to a variety of audiences, including in mathematics, science, and social studies. As part of building the writing prowess of students, they must write routinely, both short and long pieces. As part of a comprehensive writing curriculum, students' writing fluency should be fostered,

Language Arts. The Question-Answer Relationship strategy helps students understand the different types of questions. By learning that the answers to some questions are "Right There" in the text, that some answers require a reader to "Think and Search," and that some answers can only be answered "On My Own," students recognize that they must first consider the question before developing an answer.
