We always start with the array task cards, which are incredibly popular among my kids, no matter their level of understanding is. In fourth grade, we have also been working on factors and multiples, so of course, I have a set of those as well. I also have them use building equations task cards and 2 different problem solving sets.

What's a tunic? We're seeing what we think of as a tunic listed as a dress. And it's often being worn with leggings. As a former elementary teacher I just love the leggings with tunic option for girls instead of what you and I would call a dress with leotards as it gives the little girls so much more freedom as they move, play and sit cross-legged.
