Analysis of Super Project Case - Nikolay Laptev

of the Super project. • This is not an accounting exercise . In accounting, one tries to track and attribute all sources of costs. Also, one alters transaction timings to match expenses with income. • This is a capital budgeting exercise. We're interested in cash flows to judge the value of a project, and when those cash flows occur.

Super Project - SlideShare

In the fall of 2003, faculty and staff from the Harvard Graduate School of Education (HGSE) and the Harvard Business School (HBS) joined together to examine how the art and science of management could help public schools improve student performance. The Public Education Leadership Project evolved from that question.
