Individual Income Taxes 2013 Solution

Individual and Corporate Tax is responsible for the administration of individual income tax, business privilege tax, corporate income tax, partnerships, S-Corporation, fiduciary and estate tax, financial institution excise tax, and withholding taxes.

Individual & Corporate Tax - Alabama Department of Revenue

Income taxes in the United States are imposed by the federal, most state, and many local governments. The income taxes are determined by applying a tax rate, which may increase as income increases, to taxable income, which is the total income less allowable deductions. Income is broadly defined. Individuals and corporations are directly taxable, and estates and trusts may be taxable on ...

Income inequality in the United States is the extent to which income is distributed in an uneven manner among the American population. The inequality has increased significantly since the 1970s after several decades of stability, meaning the share of the nation's income received by higher income households has increased. This trend is evident with income measured both before taxes (market ...
