Speech, language and communication skills are vital for all children. Without these skills they will not reach their full potential. Teaching staff have a very important role to play in supporting all children's speech and language development, and identifying when they might be having difficulty.

Teachers | Talking Point

Inquiry-based learning (also enquiry-based learning in British English) is a form of active learning that starts by posing questions, problems or scenarios. It contrasts with traditional education, which generally relies on the teacher presenting facts and his or her knowledge about the subject. Inquiry-based Learning is often assisted by a facilitator rather than a lecturer.

Inquiry-based learning - Wikipedia

It is very important to make a good impression when responding to inquiries from potential customers. Of course, the best impression will be made by providing the materials or information that the prospective client has asked for, this positive impression will be improved by a well-written response.
