Sociological theory vs. social theory. Kenneth Allan proposed the distinction between sociological theory and social theory. In Allan's usage, sociological theory consists of abstract and testable propositions about society. It often heavily relies on the scientific method, which aims for objectivity, and attempts to avoid passing value judgments. In contrast, social theory, according to Allan ...

The term metaphysical poets was coined by the critic Samuel Johnson to describe a loose group of 17th-century English poets whose work was characterized by the inventive use of conceits, and by a greater emphasis on the spoken rather than lyrical quality of their verse. These poets were not formally affiliated and few were highly regarded until 20th century attention established their importance.
