My name is Eric Cressey, and I am the president of Cressey Sports Performance, a high performance training facility near Boston, MA. We started off small, but we're now a 15,000-square-foot training facility.

The High Performance Handbook

The origin of language and its evolutionary emergence in the human species have been subjects of speculation for several centuries. The topic is difficult to study because of the lack of direct evidence. Consequently, scholars wishing to study the origins of language must draw inferences from other kinds of evidence such as the fossil record, archaeological evidence, contemporary language ...
