Believe it or not we are the last year to do this type of maths, it's all changing next year to maths that could actually, in very rare cases be used in life, it still sounds fairly pointless but x and y shit can never be used in life except for torturing us. But what's even more ridiculous than x and y is how vital maths is to do courses that maths in no way applies to, I think the government needs to ...

No, a small number go for layout but the substance of what you write and staying on task is the most important thing. What I mean by staying on task is if you're asked to write a letter and you write a diary entry, then sure, you'll lose loads of marks, because it's not just your layout that's wrong but your entire approach.
