HSC 025: The role of the health and social care worker 1.1 – Explain how a working relationship is different from a personal relationship. Working relationships are based on formal policies and procedures and agreed ways of working. These are bound by contracts of employment and have codes of practice to be followed – working relationships ...

Hsc 025: the Role of the Health and Social Care Worker ...

HSC 025 1.1 The difference between a working relationship and a personal relationship is the level of intimacy that people can show. In a personal relationship, one can be as sweet or rude as he can be depending upon his mood. However, working relationships are more formal, and people tend to behave in more or less same fashion all the time.
