Guided Reading Launching The New

Guided Reading offers students intentional reading instruction with texts that are just a little too hard. As a teacher, we coach and scaffold our readers all while pushing them forward in their reading routines. Since Guided Reading often means planning for 3-6 groups a week (many groups reading 2+ texts a week), I know the...

Rocket and missile system - Tactical guided missiles: Guided missiles were a product of post-World War II developments in electronics, computers, sensors, avionics, and, to only a slightly lesser degree, rocket and turbojet propulsion and aerodynamics. Although tactical, or battlefield, guided missiles were designed to perform many different roles, they were bound together as a class of weapon ...

Kindergarten Resources. If your child is around 5 years of age, you are likely getting ready to start them in kindergarten. Many states require that their school districts offer either a half-day or full-day kindergarten program, so once you find a program for your student, it's time to start discovering what your child will be learning.
