In the latest staff survey, 73% of staff said there was a community focused culture which is a very positive message and reflects the Council's vision to create stronger communities.

Jobs at Wiltshire

Interesting discussions going here. In my perspective, I see the role of PM similar to that of orchestra conductor. The conductor doesn't need to play all the instruments in order to conduct an orchestra, so the role of PM needs to manage a team of people who have different roles and skills in a project, in addition to other abilities mentioned above on the article.

The Role of the Project Manager

The Role of a Construction Manager. Construction is an activity which goes on in almost every city and town on a daily basis. Something is constantly being built or renovated wherever we look.
