Linda Le Phan • March 15, 2017 May 10, 2019. All it takes to be a leader, in name at least, is to hold the dominant position in a group, organization or location. However, this is a very simplified definition for a what a leader should be, let alone what a great leader is. Because the measure of a great leader has much less to do with how you define their role and more about their actual ...
