No doubt you have heard much evidence for the textual validity of the Bible. From its uniqueness in history claiming to be the inerrant word of a personal God, to the early date of the manuscripts; From the precision of the copyists, to the internal consistency among so many different authors over such a long period of time.

**Questions / Answers - Proof That God Exists**

So to get back to the question, I would put a woman writing a book way more in that category of “city planner” than a drill sergeant, so that the personal directness of it is removed and the man doesn't feel himself and she wouldn't feel herself in any way compromised by his reading the book

and learning from the book.
