When it comes to firestop applications, you want to reduce the level of risk. That's why Hilti fire protection specialists have performed extensive testing in both through-penetration and construction joint firestop applications.

Firestop Engineering Judgements - Hilti USA

Default judgment is a binding judgment in favor of either party based on some failure to take action by the other party. Most often, it is a judgment in favor of a plaintiff when the defendant has not responded to a summons or has failed to appear before a court of law. The failure to take action is the default. The default judgment is the relief requested in the party's original petition.
