W. G. Grace was born in Downend, near Bristol, on 18 July 1848 at his parents' home, Downend House, and was baptised at the local church on 8 August. He was called Gilbert in the family circle, except by his mother who apparently called him Willie, but otherwise, as "W. G.", he was universally known by his initials. His parents were Henry Mills Grace and Martha (née Pocock), who were married ...

Have you ever seen a Rube Goldberg machine in action? If you've watched today's video, then you know what we're talking about. The self-operating napkin is a famous cartoon that sums up what Rube Goldberg machines are all about: creating a machine (or contraption or invention or device or apparatus) that uses a chain reaction to accomplish a very simple task in a very complicated manner.
