A government simulation or political simulation is a game that attempts to simulate the government and politics of all or part of a nation. These games may include geopolitical situations (involving the formation and execution of foreign policy), the creation of domestic political policies, or the simulation of political campaigns. They differ from the genre of classical wargames due to their ...

Probate is a court procedure where the validity of a will is proved or disproved. It involves all estate administration proceedings. When a person dies, all property, other than property passing directly to others (such as property held in joint tenancy, life insurance proceeds and retirement plans payable to a named beneficiary), may be subject to a probate proceeding.
