Australia . Australia's IP market has undergone significant structural change in recent years; mergers between law firms and the lateral movement of teams away from newly merged entities to competitors has certainly shaken things up; as has the acquisition of IP firms by IPH and QANTM Intellectual Property.

A financial crisis is any of a broad variety of situations in which some financial assets suddenly lose a large part of their nominal value. In the 19th and early 20th centuries, many financial crises were associated with banking panics, and many recessions coincided with these panics. Other situations

that are often called financial crises include stock market crashes and the bursting of ...
