Understanding Class Conflict, Race Conflict, Gender Conflict, and Other Conflict Theories. We explain Marx's conflict theory and other conflict theories to show how tension between social, political, material, and other forces manifest.. In other words, we describe how the tension between a thesis (a concept) and an antithesis (its contradiction) in the "social sphere" (in social systems ...

Types of Conflict Theories - Fact / Myth

In anthropology, high-context culture and low-context culture is a measure of how explicit the messages exchanged in a culture are, and how important the context is in communication. High and low context cultures fall on a continuum that describes how a person communicates with others through their range of communication abilities: utilizing gestures, relations, body language, verbal messages ...

High-context and low-context cultures - Wikipedia

Class conflict (also class warfare and class struggle) is the political tension and economic antagonism that exists in society consequent to socio-economic competition among the social classes. In the political and economic philosophies of Karl Marx and Mikhail Bakunin, class struggle is a central tenet and a practical means for effecting radical social and political changes for the social ...

Class conflict - Wikipedia

A Look Into the Future. In Anthem by Ayn Rand, we're introduced to a future world where everything is about the collective. There's no concept of individualism; if it isn't for the greater good of ...
