I realise that there are many answers, but I found a solution that may be helpful to some. I ran into the same problem, I am running oracle sql develop on my local computer and I have a bunch of users.

Changing password with Oracle SQL Developer - Stack Overflow

Why a Scientific Format? The scientific format may seem confusing for the beginning science writer due to its rigid structure which is so different from writing in the humanities. One reason for using this format is that it is a means of efficiently communicating scientific findings to the broad community of scientists in a uniform manner.
