While all of these strategies enhance the possibility for meaningful engagement with text, none of them is likely to happen on its own. Plan to model the chosen learning behavior (oftentimes more than once) and to be an active presence in the room, moving from student to student, pair to pair, to monitor, ask and answer questions, and reengage students who lose focus.

Supporting Student Comprehension in Content Area Reading

The Jungle by Upton Sinclair was one of the most important books I ever read while growing up as a young man. I happened upon it at that point in time when my individuality was beginning to manifest itself as well as my awareness that there are responsibilities attendant upon each of us as men and women who have been given the gift of life – if we wish to use it wisely and die proudly having ...
