Hyundai Elantra Transmission Problems Solutions

Hyundai refused to cover this even though there was evidence of uneven wear on the pressure plate. Driven MT cars for almost 50 years and never had a problem. Although the clutch replacement in the previous trip fixed the clutch engagement, the car still would not reliably shift into 1st. A separate problem, apparently.

Hyundai Elantra Transmission Problems and Repair ...

Well, I've had the transmission replaced and have been driving for over a week now. The car shifts into reverse properly, and upshifts nicely at 40km/h. Seems the problem has been resolved. Thanks Hyundai.
