January 2013 Algebra Regents Exam

In New York State, Regents Examinations are statewide standardized examinations in core high school subjects required for a certain Regents Diploma to graduate. To graduate, students are required to have earned appropriate credits in a number of specific subjects by passing year-long or half-year courses, after which they must pass at least five Regents examinations in some of the subject areas.

So the change in population is 9,000. The percentage of population loss is just the change in population divided by the original population. Turn 0.134 into a percent so that we get 13.4%. So the percent of population loss is 13.4%. To find the percent decrease, we need to calculate the difference ...
