Welcome to the second blog post about Swimming Naked. On 2016/08/15 I posted a Frank Answer About Swimming Naked. That article was a response to a negative comment about the practice made by a retired male teacher who took my Bennett High School class of 1961 on a tour of the old high school at a class reunion.

Frank Answers About Swimming Naked — Commentary Part I ...

Cold fusion is a hypothesized type of nuclear reaction that would occur at, or near, room temperature. It would contrast starkly with the "hot" fusion that is known to take place naturally

within stars and artificially in hydrogen bombs and prototype fusion reactors under immense pressure and at temperatures of millions of degrees, and distinguished from muon-catalyzed fusion.

Cold fusion - Wikipedia

Dr. Michael Richards, . Michael Richards, D.V.M. co-owns a small animal general veterinary practice in rural tidewater Virginia. Dr. Richards graduated from Iowa State University's College of Veterinary Medicine in 1979, and has been in private practice ever since.
