Let's take a few minutes to break down what instructional design (ID) is, who's involved in the ID process, and why it's an important part of e-learning development.

An Introduction to Instructional Design - E-Learning Heroes

When I started counting the types of writing that are potentially required to produce an online course, I was stunned. I realized that one instructional designer can potentially provide the skills of an entire writing department.. Not only do we need skills for expository, creative, persuasive and technical writing, but we often write about topics for which we know very little at first.
