Areo magazine has published another essay of mine, Bravado in the Absence of Order, which examines why African-American urban communities have such high rates of homicide and other violence. The essay uses medieval history, and contemporary societies other than the US, to illuminate social patterns that are less clear if one just looks at the US in isolation.

[page 3] 9. Widespread objection was raised against that fourth aim, although there was support for it in some quarters. The Inspectorate's follow-up publication (English from 5 to 16: The Responses to Curriculum Matters 1) reported that they had accordingly asked those who had commented what they judged teachers should be expected to know about language and about language development in children.
