Property, in the abstract, is what belongs to or with something, whether as an attribute or as a component of said thing. In the context of this article, it is one or more components (rather than attributes), whether physical or incorporeal, of a person's estate; or so belonging to, as in being owned by, a person or jointly a group of people or a legal entity like a corporation or even a society.

With a Roth IRA, not only do you not have to pay income tax on your plan contributions (which were never tax-deductible in the first place) but your investment earnings will not be subject to income taxes either. The only requirements are that you must be at least age 59 ½ when you begin taking withdrawals from the plan and that you have been participating in the plan for a minimum of five years.
