Writing a Guided Practice section is the fourth step in writing an effective and strong 8-step lesson plan for the elementary school classroom. In the Guided Practice section of your written lesson plan, you will outline how your students will demonstrate that they have grasped the skills, concepts, and modeling that you presented to them in the Direct Instruction portion of the lesson.

Activity guides are a PeopleTools feature that allow you to define guided procedures for a user or group of users to complete. Users are presented with a list of actions, or tasks, that need to be completed to finish the procedure. Activity guides can be useful in a number of procedural scenarios. For example: The on-boarding of a new employee.
