Besides traveling for vacations or recreation, some physicians travel to give care. Around 2005, "visiting physicians" began going out into patients' homes, almost as a return to the bedside care ...

What do astro physicians do - answers.com

@Carlos i believe the question was about class member variables rather than methods. And though obviously both keywords are very important (and so a debate makes little sense), the visibility is by usual convention the first keyword to use, since it determines whether a member is reachable by other classes at all.

I have written a DLL in C# using VS2005. Currently the DLL is showing a version number of 1.0.0.0. How do I set this version number to something different?

C#: how to set version number of assembly - Stack Overflow

The following is a list of people who are considered a "father" or "mother" (or "founding father" or "founding mother") of a scientific field. Such people are generally regarded to have made the first

significant contributions to and/or delineation of that field; they may also be seen as "a" rather than "the" father or mother of the field. Debate over who merits the title can be perennial.

List of people considered father or mother of a scientific ...

Attention Licensed Clinical Laboratories & Facilities: On September 28, 2017, Governor Brown signed Assembly Bill 658 into law. This bill temporarily suspends the annual renewal fee for clinical laboratory licenses from January 1, 2018, until January 1, 2020. As of January 1, 2018, the annual renewal fee for clinical laboratory licenses will be suspended for two years.
