Solution definition, the act of solving a problem, question, etc.: The situation is approaching solution. See more.

Solution | Definition of Solution at Dictionary.com

Slavery among the indigenous peoples of North and South America took many forms. After the English settlers arrived, five tribes came to own black slaves, imitating the Europeans. European colonies purchased indigenous people as slaves as part of the international indigenous American slave trade, which lasted from the late 15th century into the 19th century.
