How your child plays, learns, speaks, acts, and moves offers important clues about your child's development. Developmental milestones are things most children can do by a certain age. Check the milestones your child has reached by his or her 5th birthday. Take this with you and talk with your ...

Important Milestones: Your Baby By Five Years | CDC

Your particular string won't work as typed because of the escape characters at the end \", won't allow it to close on the quotation. Maybe I'm just wrong on that one because I'm still very new to python so if so please correct me but, changing it slightly to adjust for that, the repr() function will do the job of reproducing any string stored in a variable as a raw string.

Print raw string from variable? (not getting the answers)

Many small businesses make the mistake of overlooking branding efforts because they think of themselves as a business and not a brand. Brands, they think, are the big fish in the pond with huge budgets and national recognition.

5 Reasons Why Branding is Important for Your Small Business

As a patient, you have certain rights. Some are guaranteed by federal law, such as the right to get a copy of your medical records, and the right to keep them private. Many states have additional laws protecting patients, and healthcare facilities often have a patient bill of rights.
