What questions do you ask in one on ones with your managers? It's critical you make the most of your time meeting with them. When you're at the level in an organization where you manage others who also manage, your impact is exponential; not only do your efforts improve or hurt your team, but it trickles down to their teams as well. Gallup calls this the Cascade Effect:

As an amusing side note, in a science essay called "The Sight Of Home" Isaac Asimov once calculated how far an interstellar colony would have to be from Terra before Sol was too dim to be seen in the colony's night sky with the naked eye. Turns out that colonies further than 20 parsecs (65 light-years) cannot see Mankind's Homestar, because Sol's apparent magnitude is dimmer than 6.
