EDinformatics's Practice Tests. The Department of Education in most states provides practice tests, but you can also check EDinformatics, which offers printable and archived tests from previous years for several different states. Because the majority of 3rd grade standardized tests cover reading and math, your child can use any state's practice exams to review.

I started tutoring in 2008 with a simple philosophy: make math fun, the process of learning enjoyable, and the rest follows. Unlike most tutors, however, I had been a terrible student and struggled in every subject that wasn't math until much later in life. It was easy for me to relate to kids who were unmotivated, didn't believe in themselves, or - much like myself - had developed ...
