Integrated Algebra Regents Examinations (2005 Standard)

In New York State, Regents Examinations are statewide standardized examinations in core high school subjects required for a certain Regents Diploma to graduate. To graduate, students are required to have earned appropriate credits in a number of specific subjects by passing year-long or half-year courses, after which they must pass at least five Regents examinations in some of the subject areas.

Education reform in the United States since the 1980s has been largely driven by the setting of academic standards for what students should know and be able to do. These standards can then be used to guide all other system components. The SBE (standards-based education) reform movement calls for clear, measurable standards for all school students. . Rather than norm-referenced rankings, a ...
