In total there are 11 guided reading lesson plans, covering each of the chapters in the book. Each plan contains a 'reading and responding to the text' activity which is designed to be completed with the class teacher with the reading group. There are then follow up independent activities which the children can then complete during the remainder of the week.

Reciprocal teaching refers to an instructional activity in which students become the teacher in small group reading sessions. Teachers model, then help students learn to guide group discussions using four strategies: summarizing, question generating, clarifying, and predicting. Once students have learned the strategies, they take turns assuming the role of teacher in leading a

Reading is the complex cognitive process of decoding symbols to derive meaning. It is a form of language processing.. Success in this process is measured as reading comprehension. Reading is a means for language acquisition, communication, and sharing information and ideas. The symbols are typically visual (written or printed) but may be tactile (). Like all languages, it is a complex ...
