Hi there, The use of pronouns, especially they, can be problematic for learners whose native language has different forms for they (a masculine form, a feminine form, a neutral form) or for languages who do not always require a subject pronoun for a verb. In the case of your Brazilian learners, whose first language will be Portuguese, there is a bit of both things going on.

German sentence structure is somewhat more complex than that of many other European languages, but similar to Dutch, with phrases regularly inverted for both questions and subordinate phrases. The main sentence structure rule is that the conjugated verb is the second element in a main clause or the last in a subordinate clause.
