January 5, 2016. Today, FINRA published its 11th annual Regulatory and Examination Priorities Letter to highlight both emerging and existing risks that, if not properly addressed, could adversely affect investors and market integrity in 2016.. Many of the issues we highlighted in last year's letter remain a concern for us this year.

2016 Regulatory and Examination Priorities Letter | FINRA.org

Accounting work experience: everything you need to know Why should you do accountancy work experience? One of the main reasons why is because many employers will only consider taking on graduates and supporting them through any accountancy exams if they already have some prior work experience, such as an internship or placement.
