Introduction To Criminal Justice 7th

Criminal justice is the delivery of justice to those who have committed crimes. The criminal justice system is a series of government agencies and institutions whose goals are to identify and catch unlawful individuals to inflict a form of punishment on them. Other goals include the rehabilitation of offenders, preventing other crimes, and moral support for victims.

Bachelor of Science in Criminal Justice - Aspen University

The Perspective. Introduction. The criminal justice system has three main components: court, police and prison. They work somehow like on an assembling or production line – that is, the police investigates and arrests; the court prosecutes, and the prison is the custodian that rehabilitates the criminal for social re-integration.
