Wooldridge data sets Each of these data sets is readable by Stata--running on the desktop, apps.bc.edu or on a Unix server--over the Web. You need only copy the line given below each dataset into your Stata command window or Stata do-file.

Wooldridge datasets - Boston College

students see, at the outset, that econometrics is linked to economic reasoning, if not economic theory. I like to familiarize students with the important data structures that empirical economists use, focusing primarily on cross-sectional and time series data sets, as these are what I cover in a first-semester course.
