McGill University (French: Université McGill) is a public research university in Montreal, Quebec, Canada. It was established in 1821 by royal charter, granted by King George IV. The university bears the name of James McGill, a Montreal merchant originally from Scotland whose bequest in 1813 formed the university's precursor, McGill College.. McGill's main campus is at Mount Royal in downtown ...

McGill University - Wikipedia

The primary source of information about books on railway history is George Ottley's monumental bibliography, with its two supplements (no serious public library can claim to be that if Ottley is not available). Jack Simmons' overall evaluative surveys of the literature (both in his own books and in the Oxford Companion - Ottley is mainly non-evaluative) are also useful, but Simmons was less ...
