Constructivist teaching is based on constructivist learning theory. Constructivist teaching is based on the belief that learning occurs as learners are actively involved in a process of meaning and knowledge construction as opposed to passively receiving information. Learners are the makers of meaning and knowledge.

Guided Access is one of my favorite iOS 6 features. I can disable the Home button and restrict touch input on certain areas on the screen when my 2-year-old plays on the iPad, this is part of the Accessibility option. And just one of the many new features I've been looking forward to seeing on the iPad when iOS 6 previewed during the 2012 Apple Worldwide Developers Conference in June.
