Guided And Review Progressive Legislation

I believe we can have a progressive, transparent and fair government for New South Wales that creates policy based in respect for human rights, environmental sustainability and social justice.

Bryn Hutchinson - Progressive Independent

Progressivism in the United States is a broadly based reform movement that reached its height early in the 20th century. It was middle class and reformist in nature. It arose as a response to the vast changes brought by modernization, such as the growth of large corporations, pollution and fears of corruption in American politics. In the 21st century, progressives continue to embrace concepts ...
