A test or examination (informally, exam or evaluation) is an assessment intended to measure a test-taker's knowledge, skill, aptitude, physical fitness, or classification in many other topics (e.g., beliefs). A test may be administered verbally, on paper, on a computer, or in a predetermined area that requires a test taker to demonstrate or perform a set of skills.

General approaches. An effective starting point would be to familiarise students with useful literary concepts. A clear understanding of tragedy will be helpful to candidates especially those who go on to compare Milton to dramatic texts. Medieval writers saw the fall of man as the prototype of all tragic falls and Aristotle's terminology regarding tragedy can be useful to candidates ...
