Last week, I asked wives to answer a simple question: Why don't you comment more often? The answers I received were enlightening. And a little surprising. The Results of My Survey. Among the reasons were lack of time, agreeing with what was said and having nothing to add, and a few issues with some male commenters. But what caught me off guard was how many women said they did not comment ...

Electric hot water is expensive. We've installed low flow shower heads. We have a water efficient clothes washer. But after that we're almost at the end of what we can do to save water heating energy through conservation. A quick, uncaredful guess at our hot water consumption is about 50 gallons per day: 10 gallons...
