From the 15th century various European monarchy realms used cockades to denote the nationalities of their military. Their origin reverts to the distinctive colored band or ribbon worn by late medieval armies or jousting knights on their arms or headgear to distinguish friend from foe in the field of battle.

The Middle Ages were far from dark. On the contrary, the era was full of fascinating figures and world-altering events. Learning and innovation flourished, with the printing press, Arabic numerals, and the heavy plow all being introduced into Western society during this time. Yet despite these developments exerting far-reaching influence over the course of history, few people have a firm grasp ...
