ANSWER KEY Biology 164 Laboratory - Colby College

Observing Human Traits Lab How much do traits vary in your classroom? Traits are physical characteristics you inherit from your parents. In this investigation, you will take an inventory of your observable traits and compare these to the observable traits of your classmates. You will then take inventory of students and teachers in your school.

Human Traits Lab - MBUSD Internet Usage Disclaimer

2 Genetics & Inheritance Lab Work in groups of two This lab is designed to demonstrate genetics, or the study of how heritable characteristics are passed from generation to generation. Genetic traits are determined by genes, or small segments of DNA carried on chromosomes that determine physical characteristics.
