Guinea Pig Yahoo Answers

Best Answer: Guinea pigs are great pets and are relatively easy to care for. They are social animals and are therefore best kept in pairs or small groups. They are suitable pets for younger children as long as they are handled regularly and correctly. Guinea Pig Facts Life span: 4 - 8 years Sexual ...

guinea pig?? | Yahoo Answers

Best Answer: We had two of them last year in the same cage and I changed the cage at least once a week if not more. I guess the more you have in one cage the more often you need to change the shavings. I think that if you were to get just one and change the shavings often then you shouldn't have too much ...

Guinea Pigs!?! | Yahoo Answers

Guinea Pigs don't eat pellets in the wild, so give your guinea pig a LOT of variety. Set up a SMALL bowl of pellets, and a big dish of lettuce, carrots (guinea pigs absolutely LOVE carrots!!), lettuce stumps, apples, and pears. DO NOT feed your guinea pig too much.

Guinea pig!!!!!!!!?! | Yahoo Answers

You really must get more than one. The same gender, of course. You can feed your guinea pig romaine lettuce, but it doesn't do anything healthy for them. They should always have a supply of pellets and hay. Timothy hay is a great hay to feed to your guinea pig(s)! I am glad to hear that you will be giving your guinea pigs veggies!!

Guinea Pig Questions !?! | Yahoo Answers

So I got 2 female guinea pigs on Saturday (Today's Friday) they are roughly 5 weeks old and I was just wondering a few things :o) To begin with when I had them on my lap they would sit there and let me pet them with no problem. But since about Wednesday all they do is try and run away from me. I give them veggies while holding them and they are ok when I'm doing that but then continue to ...

Guinea pig questions..? | Yahoo Answers

Yahoo 7 Answers Sign in Mail ✉ ... we have 3 guinea pigs and we feed them a lot of green veggies. they are quite fat as we have spoiled them for years but i would say, if you are after what to feed your guinea, don't feed them too much greens, feed them with veggies about every 2 days. i would also get guinea pig muesli.hope this helps!

guinea pig? | Yahoo Answers

well i live in the UK and this week is the hottest week of the year up to 45 degrees and im really worried about my guinea pig because she is an all black piggy and the cage is right in the sunlight and i cant move it ANYWHERE literally! is there anything i can do for her?? i cant go to a pet store because they are all closed where i live so please someone tell me what to do im panicking here ...

GUINEA PIG HELP!!!!?! | Yahoo Answers

Best Answer: the cage should be about two feet by three feet or something around there. a fish tank wouldn't be healthy for a guinea pig because there is not enough ventilation so i really wouldn't recommend it. many people use a homemade cage called cubes and chloroplast cage. these seem like a good ...

guinea pigs?????! | Yahoo Answers

I am so annoyed. My guinea pig is and about two years old, and one month ago his water bottle started constantly leaking. So i figured it was old and got a new one. The new one was huge and by the end of the day everything in it leaked out all over my guinea pig's cage. So I bought a different one from the pet store and it is leaking out just as bad.

Guinea pig trouble????? | Yahoo Answers

Yahoo Singapore Answers ... I have had a guinea pig before, and it scared me at first when i tried to

clip his nails! i didn't want to clip off his finger! They told me to use cat clippers. I just had someone else hold him, while i got his lil' paw. I think sometimes if you look at their nails, you can see where the color goes from white/clear ...

Guinea pig question????????? | Yahoo Answers

Best Answer: An 8 sq foot c+c is a 2x3, which does meet the minimum requirement. However, guinea pigs are a social species and need the company of their own kind. For two boys you need at least a 2x4, preferably bigger. But still, a 2x3 c+c is still a lot better than store bought cage! The "fleece method ...

Guinea Pig Care? *10pts*? | Yahoo Answers

He Chatters his teeth at us. He never use to do that, he started after we got him a "Buddy"but we separated the two, after two weeks they started fighting. Our Guinea pig use to have a open cage but we have to keep it closed at all times now. (He breaks out b/c hes a mean bugger) He doesn't beep around anymore, the only thing he does is make a b line for the other g-pigs cage to sit in front of.
