Essex County Council identified a series of opportunities to deliver curriculum based teaching materials which incorporated emergency planning. As a result of this, products such as the 'What If?' interactive game, DVDs, puzzles, books and board games were produced. The aim of these products was to aid the teaching of emergency planning in schools in a fun and interactive manner.

What If...?

Short Answer: It depends on what State you are in. But every State should have a partially hydrolyzed option in case you baby needs it. There are also forms you can ask your doctor to fill out to help you use your WIC support to get a non-WIC formula if your baby needs it.

Interactive Stroop Effect Experiment In this experiment you are required to say the color of the word, not what the word says. For example, for the word, RED, you should say "Blue." As soon as the words appear on your screen, read the list as fast as you can.

Stroop Effect - University of Washington

When an emergency occurs, the need to communicate is immediate. If business operations are disrupted, customers will want to know how they will be impacted. Regulators may need to be notified and local government officials will want to know what is going on in their community. Employees and their families will be concerned and want information.
