Call Answering - Telephone Answering Service & Virtual ...

If the caller's wireline phone is connected directly to the calling party, when the caller takes their telephone off-hook, the calling party's phone will ring. This is called a hot line or ringdown. Otherwise, the calling party is usually given a tone to indicate they should begin dialing the desired number. In some (now very rare) cases, if the calling party cannot dial calls directly, they ...

Telephone call - Wikipedia

Everyone at your business needs to know how to answer the phone professionally, not just the receptionist or the customer rep. You never know when the person who's supposed to answer the phone will be unable to do so and someone else will be stepping in and picking it up (especially if you're operating a home business). Even in these days of texting and email, the phone is still most business's ...
