Phoenix Estate Planning Attorneys | Morris Hall, PLLC

The history of accounting or accountancy is thousands of years old and can be traced to ancient civilizations.. The early development of accounting dates back to ancient Mesopotamia, and is closely related to developments in writing, counting and money and early auditing systems by the ancient Egyptians and Babylonians. By the time of the Roman Empire, the government had access to detailed ...

History of accounting - Wikipedia

Information systems (IS) are formal, sociotechnical, organizational systems designed to collect, process, store, and distribute information. In a sociotechnical perspective, information systems are composed by four components: task, people, structure (or roles), and technology.. A computer information system is a system composed of people and computers that processes or interprets information.

Information system - Wikipedia

The Accounting Division, headed by the City Comptroller, keeps spending in line with budgets through an extensive general accounting system. To accomplish its mission, the division conducts regular pre-audits over expenditures, including the payroll, to make sure funds are disbursed properly.

COJ.net - Accounting

The City's Budget and Accounting Department is responsible for preparing the City's annual budget and monthly budget reports. This department also is responsible for the City's general ledger, accounts payable, payroll, grants management, fixed assets, capital projects, and bank reconciliation.
