Note: But, before we begin looking at it, first of all, we repeat again and again: do not blindly believe anything or merely take in on faith. What is said here is just a particular way to look at things, but it does not imply that you are forced to agree with anything said here, or anywhere for that matter.

"Like a novel, narrative nonfiction imposes structure, theme and subtext to events, place and character. Unlike novelists, authors of narrative nonfiction must live with the fact that real people and real facts seldom conform very tidily to these conventions.

Writers and Editors - Narrative nonfiction

The nearest that I came to actual possession was when I bought the Hollowell place, and had begun to sort my seeds, and collected materials with which to make a wheelbarrow to carry it on or off with; but before the owner gave me a deed of it, his wife--every man has such a wife--changed her mind and wished to keep it, and he offered me ten dollars to release him.

Use had in a sentence | had sentence examples

The term skip trace refers to the process of searching for people who have moved to another place. The term also applies to people who have decided to alter their names. Purpose Tracing is usually done to find persons who don't pay child support or have debts. But the same technique can be used for finding relatives. Anyone can trace, but most of the time people hire private investigators to ...
